Scala 1:200

Technical drawing of a building section showing structural details and levels. The drawing includes a cross-section of a multi-story building with a sloped roof on the left and a flat roof on the right. The section is divided into two main parts by a vertical dashed line labeled "GIUNTO NON SISMICO" (Non-seismic joint). The left part shows a sloped roof structure with a vertical height of 371. The right part shows a flat roof structure with a vertical height of 372. The drawing includes various levels and elevations, such as +11.39, +7.67, +3.77, +0.00 (marciapiede esterno), -1.20, -1.80, and -3.00. The drawing also shows structural elements like columns, beams, and walls. The drawing is labeled with numbers 25 through 32 at the top, indicating different sections or details.
