UNIVERSITY OF
ARKANSAS
ROME CENTER

Giulio Barocco has a Master's in Complex Actions, a Post Graduate Degree in Prevention Sciences for Health Professions and a Bachelor's Degree in Food Merceology. Since 2007 he has held a position as an Expert for the integration and joint management of food safety and nutrition quality at the *Local Health Agency of Trieste integrated with Trieste University - Faculty of Medicine The Department of Prevention - Food and nutrition hygiene service (ASUITS)*, Italy.

Fresh Eats

This lecture comes under the framework of CART D'ORT — the Identity Card of the Urban Gardens research project, and provides new input regarding educational gardens in favor of nutritional wellbeing and sustainable development, with a focus on the Health Agency of Trieste (ASUITs) and Slow Food good practice
